

A close-up photograph of a vintage kitchen range. The image shows a dark, possibly cast-iron, surface with several brass fixtures. In the upper center, there is a circular drain with a brass grate. Below it, a large, curved brass faucet arches over the surface. To the left and right of the faucet are two brass knobs with white circular inserts. The entire scene is framed by a thin white border.

Kenny & Mason

KITCHEN RANGE

KITCHEN RANGE

## KITCHEN RANGE

The Kitchen range by Kenny&Mason is the translation of our esteemed reputation of true craftsmanship into perhaps the most important room in the house.

In this collection you will find a subtle blend of functionality, creativity and ofcourse the Kenny&Mason stamp ensuring outstanding quality.

Our kitchen range includes our range of taps, spraysets, basin sinks and wastes all of which can be matched with one of our finishes.

## Design & combine

Kenny & Mason creates quality products for all interiors. Though we are mostly known for our more classical and industrial designs, we successfully found our way to more modern and minimalistic interiors aswell.

Our kitchen range is no different. Our wide range of products can be fitted to the customers every need. Thanks to our range of authentic finishes, and customization options such as personalized porcelain details.

In our Kitchen range we provide tailormade solutions for a more personalized design. Our specialists gladly guide you through your project. If you like to have more information don't hesitate to contact us.

OUR DEVOTION
